

7/15/13 (2)	2:41	<p>The Magnesium Miracle oneradionetwork.com What is the biggest misconception about magnesium? People don't believe one simple minerals can do so much. Testimonials of heart palpatations going away. Testimonial of healing of nerve root exposure. Completment - what should you begin with. ReMag - when you feel benefits, then try rest of the products</p>
	6:24	<p>Some people get nauseous on ReLyte Zinc sometimes causes this - put in smoothie or split up droppers throughout the day</p>
	7:04	<p>MS Total Biology of MS Stress of going downhill. Fear of a fall. Viet Nam vets have MS symptoms Hard to push someone toward solution. They have to want to do it.</p>
	10:27	<p>History of Total Biology and German New Medicine David Holtz on Total Biology</p>
	12:50	<p>Gloss over so many things, we end up not doing much detail Mayo Clinic Study searching prescription records for Rochester County 70% of Americans are on prescription drugs 50% take two drugs, etc. 1 in 4 women are on anti-depressants Health and medical field makes up 20% of America's economic foundation Those people who could switch over to a system more compatible with health. Economic system is based on disease care system. 70% are paying \$200 for one drug The older you get, the more drugs you are on. That is why insurance is \$2,000 a month or more for a family plan. We are paying enormous sums to keep ourselves sick. Probiotic in RNA Drops. ReMag is an antispasmodic. This solves the heartburn. If you are still symptomatic do DGL licorice We don't have to worry about proper absorption of minerals, do we? Get straight into cells without having to be changed in the stomach.</p>
	20:52	<p>My wife takes 4 drops of ReLyte. More and she gets bloating and gas.</p>
	21:40	<p>Clarify amount. Probiotic to rebalance after antibiotics Lactobacillus are not the most beneficial but nothing wrong with them.</p>
	22:42	<p>4 drops of ReLyte</p>

Can imply something is detoxifying.
Take one drop a day for awhile to break through.
Eliminate things that may be causing the reaction.
Implies yeast growth traveled up into the stomach.

24:18 ALS patients
Testimonials with some genetic conditions
Cannot not help
Would say try them
Recommend the minerals.
The symptoms of ALS look like magnesium deficiency
ReLyte and ReAline order.
Should I incorporate them at a certain time of day.
Twice a day - breaking it up - not a specific time
RNA Drops you take alone under the tongue
Wait 15 minutes after so you don't wash it away

27:45 Complement formulas - what does it mean to you now
What about the journey.
Future health now in the beginning
Then needed to change name. iON suggested Complement Now
Totally completing everything.

30:00 Will change blood, particularly the rH factor
Haven't gone back and gone into that and what it means
iON said there would be no rH factor
rH is a less than condition

31:52 Bloating and gas is my issue.

Eat garlic, onions, and ther antifungal foods
Future Health Now Encyclopedia
Complement Now Modules are health coaching system.

39:57 Told her to take it easy when starting ReLyte
Had symptoms before, so it could be yeast
Yeast Busters in Canada could be investigated.

41:02 Gallbladder meridian is magnesium
12 energy meridians that run through body to organs.
If gall bladder is blocked, magnesium is required
All of Dr. Carolyn's formulas are complete formulas
Won't have craving food, and you'll save money

Ailments will go away, because I've had them.
How long did it take for your body to rehab with minerals?
Minerals salts for 5 years.

But was ramped up with the Completement products
Everyone is different and has a different mindset.

How much will you allow?

Emotions burn your minerals.

Emotions may cut you off from your non-physical.

47:08 How does complement now work?

Email at consult@drcarolyndean.com and ask for special

48:15 Dr. Carolyn shared Lynn Foutch's story.

Avoiding falling into a diagnosis.

Eternal cells without junk holding them back

Nevermind what's going on as much as possible and relax and
allow.

When your mind hears cancer, your mind goes into a panic.

The biggest problems lie in misdiagnosis and drugs.

If you have a terrible cut or something that needs to be taken
out, but be aware that doctors are biggest killers in society.

The energy to the lipid system once it is able to flow by rote
will pick up this otherwise wasted energy source.

Overload energy grid - brownout.

That's what you're doing now. That's why magnesium and
minerals is so important.

Lipids do surround every cell in the body with lipid membrane.
It's all interconnected.
